- VII. Next Review Date: To be reviewed every five (5) years from date of issuance.
- VIII. Contact. Adrian Z. Rocskay, Director, General Industry Safety and Health Division.
- IX. Originator: Adrian Z. Rocskay, Director, General Industry Safety and Health Division.
- X. Application. In 2015, federal OSHA issued an instruction describing enforcement policies and procedures to be followed when conducting inspections and issuing citations related to occupational exposure to tuberculosis (TB). MIOSHA adopts the federal OSHA Instruction, CPL 02-02-078, Enforcement Procedures and Scheduling for Occupational Exposure to Tuberculosis.

All MIOSHA inspections and investigations for TB shall be conducted in compliance with the MIOSHA FOM, as amended. Position titles referenced in the federal instruction should be addressed with comparable levels of management within MIOSHA.
